

## Loaves and Fishes Trivia League rule summary January, 2017

### RULES

Welcome to Loaves and Fishes Trivia Night!

Seven rounds of 10 questions each. Every question is worth 1 point, so 70 is the highest possible score. The categories are: *(never revealed in advance!)*

Approximately one minute to answer each question. *Each round will also include a bonus question which adds to the fun but only is relevant in the event of a tie. In such an event the team with the highest number of bonus questions correct is the winner.*

*NEW RULE TEAM SIZE LIMITED TO A MAXIMUM OF 6 MEMBERS, ANY SIZED TEAM ALLOWED 1 TO 6. Fee per team regardless of size remains the same.*

At the end of each round, the host will read through all the questions in case a team missed one, then one member of each team will bring their answer sheet to the scoring table.

Before beginning the next round, the trivia host will review the answers to the previous round.

No cell phones or electronic devices may be used (if a cell phone is visible, all points for that round will be forfeited).

Name your team. Write your name on the file card that should be in the center of your table and clip it on the book in the center of your table. Number on one side, name on the other.

It is envisioned that Loaves and Fishes will host several qualifying rounds in coming months prior to a championship event later in the summer. The winning team from each round qualifies for the championship round. Should the same

team win more than once then the second place team at the second event win would will be a qualifier for the championship event.

The Entry fee is recommended to be \$100 for each team for each night of play. Hosting faith communities may adjust this amount as they feel may be needed to generate interest. However the purpose of the league is to help each faith community raise at least \$2500 in order to become a “Gold Sponsor” of the Loaves and Fishes Gala Fundraising evening scheduled for 10/14/2017. All proceeds are for the benefit of Loaves and Fishes Hospitality House.

***The winning team earns first year bragging rights, recognition at the Gala, Presents Loaves and Fishes a check on behalf of the league participants and gets to trash talk for one minute the other teams (in love and for fun!).***
